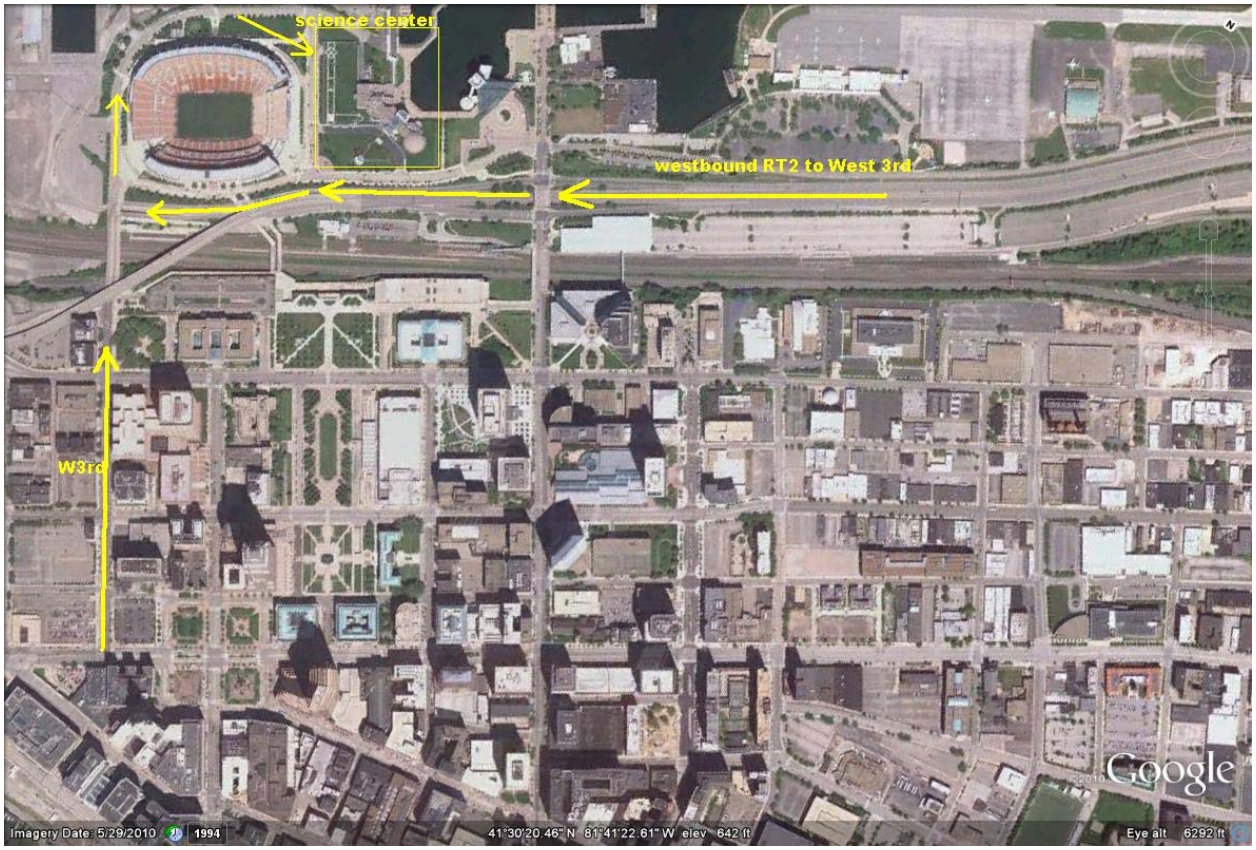
ACCESS TO NORTH COAST HARBOR AREA,
THE GREAT LAKES SCIENCE CENTER GARAGE, & SS WILLIAM G MATHER

Road closures will occur during the Race. Access to the Great Lakes Science Center will be and maintained via <u>West Third Street.</u> Avoid downtown streets. There will be road closures, delays, and detours. Access to this area will be from west Third Street. Road closures begin around 08:30 on Saturday and will end by a little after 09:30.

We strongly recommend the Invention Convention participants get down here early. Map attached below.


Keep this memo in your car and please call the Race Route Security Director, Harry Gant, at 216-854-0165 if you have trouble at the West Third Street exit. Please have your ID or this document with you..
