

**Invitation for YOUR students to participate**

Please accept our invitation for your K-8 students to participate in the 2012 Cleveland Regional Invention Convention.

On behalf of the Board of Directors of JUST THINK, Inc., and our distinguished Sponsor Team – we invite your students to share their inspiration with Northeast Ohio – as we celebrate their ideas and accomplishments, along with the schools and teachers that inspire them every day.

We are excited to bring the Invention Convention back to Cleveland this school year. Now, well into our second decade of service to Ohio young people – and inspired by the unfailing optimism of the students we've come to know – we continue to march towards a state finals as part of our statewide expansion initiative. This year marks Cleveland's 5<sup>th</sup> Invention Convention at The Great Lakes Science Center on Saturday, April 28<sup>th</sup>, 2012. Columbus will host its 18<sup>th</sup> Invention Convention in May. Miami Valley will host their 7<sup>th</sup> Annual Invention Convention on March 17<sup>th</sup> at Wright State University in Dayton and Cincinnati will host its 2<sup>st</sup> annual event on April 14<sup>th</sup> at Cincinnati State.

As we continue to bring recognition and reward to Ohio's youth - we truly hope you give your permission to participate – so we may continue to inspire, recognize and award college scholarship prizes to your students – the founders of it all.
