

Invitation for YOUR students to participate

Please accept our invitation for your K-8 students to participate in the Invention Convention.

On behalf of the Board of Directors of JUST THINK, Inc., and our distinguished Sponsor Team – we invite your students to share their inspiration with Central Ohio – as we celebrate their ideas and accomplishments, along with the schools and teachers that inspire them everyday.

Now, well into our second decade of service to Central Ohio young people – and inspired by the unfailing optimism of the students we’ve come to know – we continue to march towards a state finals as part of our statewide expansion initiative. Miami Valley will host their 6th Annual Invention Convention on March 12th at Wright State University in Dayton. Cleveland will host their 4th Invention Convention on May 7th at The Great Lakes Science Center and Cincinnati will host it’s 1st annual event on April 9th at Cincinnati State. Certainly not forgotten – however – is our cornerstone founding city – Invention Convention Columbus 2011.....with finals scheduled for May 21st at our own COSI.

As we continue to bring recognition and reward to Ohio’s youth - we truly hope you give your permission to participate – so we may continue to inspire, recognize and award college scholarship prizes to your students – the founders of it all. Soon Columbus will host its 1st State finals and we want your students to be there.

(For your students to be eligible – simply RSVP with your ‘District Acceptance’ form.)

It has been a joy and privilege to direct this project for the past decade++. Thank you for allowing us to showcase the great ideas of your students – by highlight the **good news** about Central Ohio young people – and the teachers that inspire and support them. You truly do amazing work.

Best Regards,

Cherylyn Rushton Bullock
